1. CSCCA has finished upgrading software and hardware systems for ten computers. At the same time, all systems in our computer center have been integrated on network to share the common printer and have synchronized the teaching system to improve the teaching environment. The goals of these improvements are to help Chinese students to operate and recognize Chinese letters, as well as to use valued sources from World Wide Web and teaching on line.

The speed of system replacement depends on donated fund. As of today, five donators have contributed for five systems.

We still need your support for the rest five computer systems. Each of them costs \$350.00. If you are interest in donating those equipments, please write a check and payable to **Coral Springs Chinese Cultural Association**. thanks for your contribution.

2. Special thanks go to the following people for their generous donations to our CSCCA operational funds:
